

UGA Representative Farm Modeling Research

Proposed Recipient: University of Georgia's College of Agriculture and Environmental Sciences

Address of Recipient: 101 Conner Hall, Athens, GA 30602

Amount of Request: \$300,000

Explanation of Request

Purpose: To continue the development of a broad-based research program that is directed toward assuring and enhancing the competitiveness of U.S. peanuts.

Why it is a good use of Taxpayer Funds: It provides relevant economic data on the financial viability of peanut farms across the Peanut Belt as well as has implications on the financial viability of Southern agriculture at the farm level.
